ACADEMIC YEAR 2023-24
DEPARTMENT OF ZOOLOGY
MODEL MAKING ACTIVITY

REPORT

Date: 19/12/2023

Students from B.Sc. I actively participated in model making activity conducted by subject teacher Smt. D. A. Malvekar. Activity was organised at Zoology laboratory from 3:00p.m. to 4:30 p.m. Students prepared moulds of different dead shells of sea animals, different leaves. They prepared cast of the same using plaster of paris material. Each student was allotted a different specimen for model preparation. Students understand types of different fossils. They understand the concept of fossilization. Total 08 students participated in this activity.

Outcome: 1. Better understanding of concept by students
2. It created subject interest among the students

No. of beneficiaries = 08
