**Report**

The Department of Computer Science organized an Guest lecture on **"A post-graduation talk for Computer Science"** on **25<sup>th</sup> January 2024, 11:15 am** onwards for BCS Final year students. The Resource Person invited for the session was Dr. Ajay Shinde, (Assistant Professor, MCA department), Dr. Bindu Menon (Assistant Professor) & Mr. Amar Ekal (Assistant Professor, MBA department) at Chhatrapati Shahu Institute of Business Education And Research, Kolhapur.

They explained the impact of computer science on different fields of science, engineering and society. They demonstrated the application of computer science in banking and finance domain with suitable examples. They elucidated different possible career paths and opportunities for computer science graduates. They pointed out that the biggest barrier for placement of a student is the mismatch between industry desired skill set and the skills imparted through their academic curriculum. Further, They suggested careful planning of academic curriculum with emphasis on industry requirements will boost the placement record of the institution. Further, They emphasized to raise the basic awareness of entrepreneurial concepts and turn their academic projects and innovative ideas into startup ventures. Resource persons made it a point that every student responds and interact by a placing question on the topic. Mrs. Mrs. Shah S.S. (Assistant Professor) gave a vote of thanks on behalf of the teachers.

**Outcomes:**

- 1) The student to choose the right course that matches with his/her skills.
