

Environmental Supplement Ganpati Immersion Program

Date-7/09/2019

Total beneficiaries: 400

Awareness program on environmental conservation was conducted on 7th September 2019 on behalf of the Department of Sociology of the College. In this program, students from the Department of Sociology took an active part in the campaign to prevent water pollution and donate immersed Ganpati idols. Also, in order to create awareness among the people about environmental conservation, awareness was created among the citizens on the issues of environmental awareness, rescue of daughters, banning of plastics, ban on plastics etc.

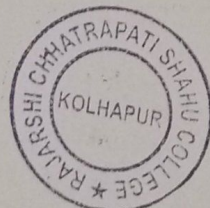

Students participating in Nirmalya Dan and Immersed Ganpati Idol Donation Campaign to prevent water pollution
