Celebration of World Mangrove Day: 26th July, 2023
Academic Year 2023-2024

Report

Department of Botany and Nature Club has jointly organized World Mangrove Day on 26th July, 2023. Dr. Surekha Rode has expressed welcoming note. Dr. Awale and Dr. Chougule, Vice Principal were guests for this event. Dr. Rode has introduced students about speaker of the World Mangrove Day, Dr. Smita B. Jugale. Dr. S. B. Jugale delivered lectures on types of genera in mangroves, adaptations, Ecology and Ecological and medicinal importance of mangroves. Dr. Jugale has focused on recent status of mangroves in Maharashtra. The 54 students attended this program. Dr. Shakil Shaikh, Head of Dept. and IQAC Coordinator elaborated about mangrove ecosystem, different ecological processes, adaptations in mangroves and their value for society. The students got knowledge about the importance of mangroves through this day. There were two videos of 20 and 10 minutes shown to students on mangroves of India, their status from India and Maharashtra respectively. Mr. Alfaj Pendhari proposed vote of thanks.

Outcomes

1. Students were able to know importance of mangroves.
2. Students come to know about scope in research and uses of mangroves
