

Group Discussion on Animated Movie Show

REPORT

The physics club planned a variety of events each year, including wallpaper, storytelling, book reading, group discussions, and projects. The inaugural event, a group discussion about an animated movie show, was hosted by the Physics Club on September 16, 2022.

Students were treated to a screening of the animated film "Kung fu Panda" by the physics department and the infotenment club in honour of "National Cinema Day" and the founding of the physics club. After the movie screening, the physics club led a group discussion.

Outcomes

- Increase in thinking, listening and speaking skills.
- Promotion in confidence level.
- Enhancement in knowledge
