CELEBRATION OF BIRD WEEK
BIRD WATCHING ACTIVITY AT RANKALA LAKE, KOLHAPUR

Date: 13/11/2022

National “**Bird Week**” was celebrated in Maharashtra state in the memory of great birdman of India honourable Dr. Salim Ali. On occasion of this Department of Zoology organized bird watching activity at Rankala lake, Kolhapur on 13th Noivember,2022 at 8: 00 p.m. Mr. Satpal Gangalmale, Herpatofauna researcher at Thakare Wildlife Foundation, Kolhapur. Students from B. Sc. III along with teacher Dr. V. A. Kamble actively participated in this activity. It was fascinating to watch birds such as White-throated Kingfisher, Black-winged Stilt, Jungle Myna, White-browed Wagtail. Total 32 different types of birds were observed at Rankala lake,Kolhapur.

Outcome: 1. Awareness about Birds was created among the students.
2. Students learned techniques of Identification of Birds.

No .of Beneficiaries = 11
