Vachan Katta  
REPORT

The Sociology Department organized the *Vachan Katta* Programme from January 1<sup>st</sup> to 15<sup>th</sup> January, 2024, to encourage students to read on the first day of the year.

In addition to being a king, a social reformer, and a leader of the people, Rajarshi Shahu Chhatrapati was a great social man who transformed the direction of history and created a new one. Even now, society uses his contributions to the social, political, educational, and economic advancement of the Bahujans as a guide. Among his most notable accomplishments are the eradication of untouchability, a requirement for basic education, and the transfer of women's wealth. Making such resources dependent upon students was a successful outcome of this activity.

**Outcomes:**

To develop interest in reading among students.

**Beneficiaries-15**
