BMI Checking programme
REPORT

Date: 07/03/2020

On the occasion of International women day, Department of Zoology and Botany jointly organized BMI checking programme on 7th March, 2020. This programme was inaugurated by Dr. R. S. Dubal, Head of the Department of Zoology. He guided the students about importance of BMI. During this programme, height, weight and age of students measured and BMI was calculated. From this data we classified students as overweight, underweight, and healthy and gave suggestions about diet. The number of beneficiaries in this programme was 30.

The BMI checking programme became successful under the guidance of Principal, Dr. S. T. Salunkhe, Dr. R. S. Dubal, Mr. S. M. Gojare, Miss. G. R. Katkar, Dr. R. B. Chavan, Dr. S. P. Rode.
