**"A Career Orientation Talk for Computer Science"**

**Date: 16<sup>th</sup> January 2024**

**Report**

The Department of Computer Science organized an Expert lecture on **"A Career Orientation Talk for Computer Science"** on **16<sup>th</sup> January 2024, 2:15 pm** onwards for BCS Final year students. The Resource Person invited for the session was **Mr. Waman Parulekar** (Assistant Professor) & **Mr. Vinayak Bhosale** (Assistant Professor) at Finolex Academy of Management & Technology, Ratnagiri. The lecture started with the welcome address given by M.R.Killedar (Assistant Professor) at Department of Computer Science introduced & welcomed both for the session. They explained the impact of computer science on different fields of science, engineering and society. They demonstrated the application of computer science in banking and finance domain with suitable examples. They elucidated different possible career paths and opportunities for computer science graduates. They pointed out that the biggest barrier for placement of a student is the mismatch between industry desired skill set and the skills imparted through their academic curriculum.

Further, they suggested careful planning of academic curriculum with emphasis on industry requirements will boost the placement record of the institution. Further, they emphasized to raise the basic awareness of entrepreneurial concepts and turn their academic projects and innovative ideas into startup ventures. The lecture provided various insights on career opportunities for the computer science graduates and emphasized the significance of strong communication skills apart from academic merit of the student in their career path. At last Mrs. Shah S.S. (Assistant Professor) thanked both resource persons, for their valuable time and motivational words.

**Outcomes:**

- 1) Their skill sets are imperative to build the digitally-powered future.
- 2) There is a soaring need for talented Computer Science engineers to imagine what's possible and make it real.
