Guest lecture
Report

In Academic year 2019-2020, Department of Zoology organized a guest lecture of Dr. Lagade V. M. Assistant Professor, Department of Zoology, Shri Yashvantrao Patil Science College, Solankur. A Lecture was organized on 24/12/2019 at 11.00 am. The topic of the lecture was "Developmental Biology". Total 15 students were present for this lecture. Dr. S.V. Lagade, introduced about guest. In this lecture Dr. Lagade V.M. gave information about developmental biology and briefly describe cleavage formation blastula stage, gastrula stages, fate map and actual process of embryology. It was really informative lecture for the students along with teachers. Miss katker G. R. proposed thanks. Outcome of this activity into students understand actual process of embryology and their clear steps of embryology.
