Group Activity
Report

Date: 16/10/2023

Department of Zoology organized various activities under "Group activity". These activities were organized under the able guidance of Dr. S. V Lagade & Ms. P. A. Bedge. Dr. S. V. Lagade guided students for group discussion on various topics. Topics given to students were animal diversity in vertebrate, forest and deforestation, sea water and vermicomposting" etc. This activity was organized in Zoology laboratory at 11:00 p.m. Ms. Shreya Chavan lead the group. In group discussion students discussed various issues regarding issues they selected in healthy way. Total 28 students actively participated in this activity. Students also participated in vermibed management. They collected dried leaves from botanical garden and added it in vermibed. They also participated in removal of vermiculture, shed drying of it throughout the month.

Outcome: 1. Students discussed Importance of animals in sea water and forest.
2. Awareness about various environmental issues were created among Students.

Beneficiaries: 28.
