Expert Lecture under MoU

“Artificial Intelligence & Machine Learning”

Date: 9th May 2023

Report

We the department of Computer Science has attended expert talk on the topic “Artificial Intelligence & Machine Learning” for the 4th semester students on 9th May 2023 under the supervision of Mrs. Shah S.S. The expert speaker Dr. Sanjay Dabhole, Principal of New Polytechnic, Kolhapur was invited to conduct the same.

The event began with inauguration of the “iTAK” followed by a brief introduction on “Artificial Intelligence & Machine Learning” by the resource person. Dr. Sanjay Dabhole spoke about the importance of putting in the theoretical knowledge that we gained into practice, learning via modeling, observation and experiential learning in order to enhance professional growth.

Ability of a machine to improve its own performance through the use of a software that employs artificial intelligence techniques to mimic the ways by which humans seem to learn, such as repetition and experience Machine Learning (ML) is a sub-field of Artificial Intelligence (AI) which concerns with developing computational theories of learning and building learning machines is a recent trend the New horizon students were introduced through this well-structured lecture organized by the “IT Association of Kolhapur”.

Outcomes:

1. Understand AI & ML in broader range
2. Understand how AI & ML Applications are solving the current day problems
3. Analyze the real world problems where AI & ML could be applied.

Beneficiaries:

- 1 Faculty
- 13 Students

कृतज्ञता पर्व
09th May 2023 Tuesday
Time : 11:00 AM to 02:00 PM
Career Opportunities
Subject
Artificial intelligence & Machine Learning
Dr. Sanjay Dabhole
Principal New Polytechnic Kolhapur
iTAK
Venue : IT Exhibition Hall, Shahu Mill, Kolhapur

Head
Department of Computer Science
