Guest Lecture on
"Full Stack Web Development"

Date: 6th January 2024

Report

The Department of Computer Science organized a guest lecture on "**Full Stack Web Development**" on **6th January 2024, 1:00 pm** onwards. The lecture was planned by Head of Department Miss. Shaikh Z. J. with faculty Co-coordinators. **Mr. Sandeep Desai (Full stack developer)** has delivered an inspirational lecture on "Full Stack Web Development" for BCS-III students. The goal of the workshop was to give a detailed knowledge about the web designing. Students created website using their choices of own domain name with the help of hostinger.com and myfreenom.com. In order to display contents on website, coding in HTML, CSS, JavaScript and PHP was taught and various doubts were solved. The officials including the Director of Sandeep solutions were present and guided the students for the new technology that will prove useful in the present software industries.

Also an idea about Bootstrap was given to the students. Students started to develop a fully working website and they code was given to each and every student. Various components were added to the website. And PHP and SQL were taught to the students and were also taught to host the website and all the remaining doubts were solved by Resource person. All errors were solved. Mrs. Shah S.S. (Assistant Professor) gave a vote of thanks on behalf of the teachers.

Outcomes:

- 1) Web development is the fundamental process for starting with any of the projects.
- 2) Also it is beneficial for the students as now they will be able to make their own websites and host it successfully.

Beneficiaries:

32
