#### About Rayat Shikshan Sanstha

Rayat Shikshan Sanstha established in 1919 by Late Padmbhushan Dr. Karmveer Bhaurao Patil, one of the leading educational institutions in Asia. Karmveer, a great humanitarian, realized that only education can end the misery and ignorance to enlighten the lives of masses. He laid the foundation of our parent institute with the noble purpose to provide education to the downtrodden and deprived classes of the society. Following his footsteps, our sanstha is progressing in many fields.

#### About the College

Rajarshi Chhatrapati Shahu College, Kolhapur is a renowned co-educational institution located in Sadar Bazar, Kolhapur. It has already completed 60 years of excellence. The college Library has rich collection of books. It has a beautiful ambiance with a spacious playground with 400 meter track, swimming pool of international standard, providing a strong infrastructure to our players. The college caters to the needs of financially deprived and educationally backward students as it is the mission of Rayat Shikshan Sanstha, offering graduation in Humanities, Commerce and Science and Post Graduations in the subject of Commerce

(IT), English, Statistics and Chemistry along with COC, Skill Development and Vocational Courses. A dedicated and dynamic principal and a highly qualified faculty strive hard to develop all-round personality of the students. The college is reaccredited with the grade 'A' by NAAC in 2017.

#### About the Seminar

After new economic reforms, agriculture has undergone radical, drastic changes. New technology, mechanization increased chemical use of fertilizers, pesticides and insecticides have increased food production quantitatively. But it fails in qualitative manner. It has created new threats to human health and occurred environmental pollution. The key-motive of this seminar is to provide collaborative platform to farmers and experts to share the knowledge and ideas about organic farming, organic products and its marketing. This will help farmers to get some new insights in the agriculture.

#### Objectives

- To provide platform for farmers to share the ideas about organic farming and innovation
- To find out challenges and issues relating to organic farming and marketing of organic products
