Report

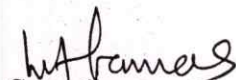

Research Committee of the college organized a one day workshop on '**Intellectual Property Rights** ' on 24th March 2018 for the faculties. In the introductory speech the chairman of the Research Committee, Dr. S. A. Faras explained the main objective behind organizing the workshop on IPR. She expressed her views regarding need of protecting the intangible assets in the competitive age. Dr. Anil Gore, the research fellow from the Department of Chemistry was felicitated at the hands of the resource persons for his published research article in one of the reputed journals named '**Applied Material and Interfaces with impact factor 7.4**

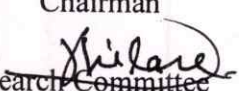

The workshop was opened by a thought-provoking lecture by the resource person Prof. Anil V. Ghule from the Department of chemistry, Shivaji University, Kolhapur. He highlighted on the importance of Intellectual property Rights in this globalized era. He advised the faculties to take the initiatives to create awareness among the students regarding IPR as an upcoming field for getting vacancies.

In the subsequent session Dr. Nishad Deshpande from the Department of Physics, addressed the need of patent filing procedure. He advocated the view that faculties as well as the students should be facilitated with the training in IPR.

Prin. Dr. C. J. Khilare gave the presidential speech in which he ensured the faculties regarding conducting activities for students giving scope for their innovation and creativity to face the challenges of artificial intelligence. Dr. V. V. Killedar proposed the vote of thanks. Both sessions were interactive ones with the active participation of the participants.

I am indebted to our principal for his support and guidance for organizing this activity. I am equally thankful to Dr. K. V. Gaikwad, Dr. M. R. Rajmane, Prof. Bansode and other committee members for their co-operation.
