Report on
“Group Discussion on Pros and Cons of Artificial Intelligence”
2025-26

Date: 4th of February, 2026

The Group Discussion was organized by Department of Computer science B.Sc. Computer Science and B.C.S. students with the permission of the I/C Principal Dr. D. R. Bhosale on 4th of February, 2026 at 04:00pm. Miss. Rajvardhan R. B. (Ass. Prof., Department of Computer Science) introduced Mr. Jadhav A. S. (Technical Head, Department of Computer Science). He conducted the group discussion on the topic of “Pros and Cons of Artificial Intelligence”. He talked about why the group discussion is important for students and their inner progression, where he mentioned Group discussion plays a significant role in a student’s overall development, not only academically but also in terms of inner growth and personality formation. They also motivated students to face interviews (Situation, Task, Action and Result) for Jobs. After that Miss. Ghorpade S. S. (Ass. Prof., Department of Computer Science) gave a vote of thanks.

Outcomes:

1. Improved Teamwork and Collaboration

Students understand the importance of cooperation, active listening, and collective problem-solving.

2. Increased Motivation for Learning

Exposure to diverse ideas motivates students to read more, research deeper, and stay informed about various topics.

Beneficiaries: 40 Students
