Ref. No. 77 /2021-22

Date: 25/04/2022

To,

Sugarcane Breeder & I/c,

Regional Sugarcane & Jaggery Research Station,

Kolhapur.

Subject: About Students Visit to Research Station

Respected Sir,

The Students of B.A. II year who are studying agricultural geography as a part of their curriculum, hence they are interested to visit our regional sugarcane and Jaggery research station in order to understand the mechanism and functioning of this research station.

Thanking you.

Yours faithfully,

**REPORT ON ONE DAY LOCAL VISIT**

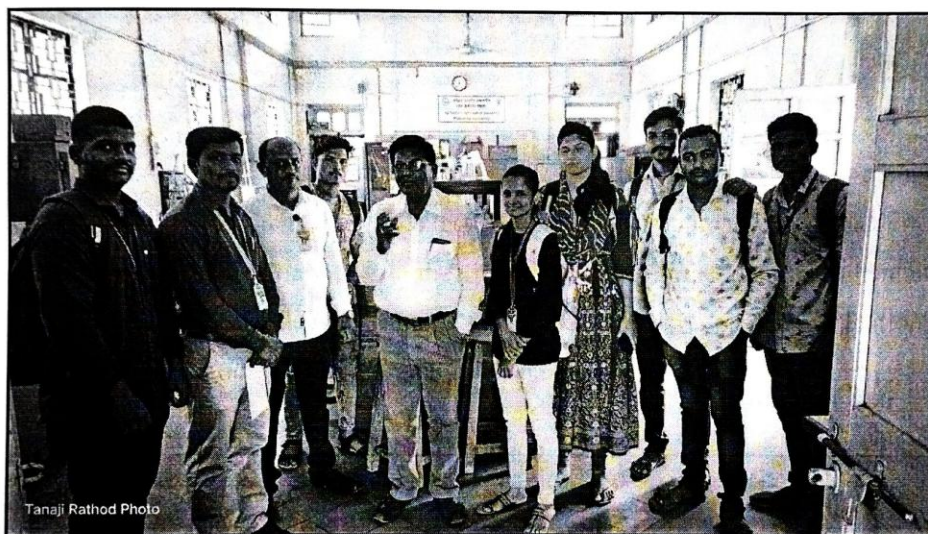

Educational visit has its own importance in a career of a student who is pursuing a regular or professional degree. It is considered as a part of college curriculum. The main objective of visit is to provide students an insight of the practical application of what they are learning in theory because; theoretical knowledge is not enough for making a good professional career.

Tanaji Rathod Photo

On 25<sup>th</sup> April, 2022 our B.A.I, B.A.II & B.A.III year, 8 students along with 02 faculty member have visited to Regional Sugarcane and Jaggery Research Centre, Kolhapur for the practical exposure and instrumental information. Dr. Sukhdev Ransing (Sugarcane Breeder) gave information regarding actual process of Regional Sugarcane and Jaggery Research Centre.

The students showed their interests and actively participated in the visit. Dr. M. D. Kadam and Dr. B. B. Ghurake took the initiative in organizing the educational visit and also accompanied the students along with.
