

DEPARTMENT OF GEOGRAPHY
ADVANCED AND SLOW LEARNERS

BA-I
Academic Year 2023-24

As per the notice of Examination and Academic Development Committee, the result of the test is prepared and students are diagnosed as advanced learners and slow learners. The criterion for defining both the groups of learners is kept as the students who have secured 12 and above marks are treated as advanced learners whereas the students who have secured below 12 marks are treated as slow learners.
