**A Guest Lecture on,**  
**“Nashamukt Bharat Abhiyan” Date-11<sup>th</sup> Oct 2023**  
**Organized by**  
**Science Association, Vivekvahini & IQAC.**

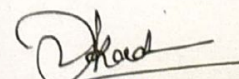

The Guest Lecture on Nashamukt Abhiyan was organized for all the students pursuing B.Sc. The objective behind organizing the lecture was to include creating awareness about substance abuse through activities such as awareness generation programs, targeting schools and universities, identifying dependent populations in communities, providing counseling and treatment facilities. The guest lecture was scheduled for two Hrs. and Dr. Sachin Parab (Director, Nashamukt Bharat Abhiyan), Ms. Sunanda Bahenji (Director, Prajapita Bramhakumari Ishwariy Vishva Vidyalay). Talk about some people have higher chances of getting addicted than others. It depends on multiple factors. Some of them are Genetics: If you have a family history of addictions you are more likely to get one Environmental: lack of parental involvement or abuse/neglect increase chances of addictions, Peer pressure can lead a person to try hazardous and more addictive substances, and availability of alcohol or drugs in your social circle also increase chances of addiction Psychological: People with 'negative emotionality' that is people who experience negative emotions like irritability, anger, sadness has greater risk of falling prey to addictions. It was presided over by Prof. Dr. L. D. Kadam (Principal, R. C. Shahu College).

**Total Beneficiaries - 62. Outcome-** It's very effective for student's It coordinates and oversees all aspects of drug abuse prevention including assessment of the extent of the problem, preventive action, treatment and rehabilitation of addicts.
