

Exhibition of medicinal plant

Rajarshi Chhatrapati Shahu College celebrated National Science day on 28/02/2022. There was special visit to our college by Mrs. Adileidys Ruitz Barcenaz, (Center for Research in Protein plants and Bionatural products) and Mr. Carolus Mesa Cruz (Researcher, Center for research in Protein plants and Bionatural products, National Sericulture Project, Havana, Cuba)& Dr. A. D. Jadhav from Department of Zoology, Shivaji University, Kolhapur.

On occasion of 'National Science Day' The Department of Botany organized 'Medicinal Plant Exhibition' on 28th February 2022. The event was introduced by auspicious hands of Prin. R. S. Dubal, Mr. S. M. Gojare, Dr. S. P. Rode, Dr. S. B. Jugale and faculties of other departments. In that event, 67 participants and students were actively participated.

Students from neighbourhood schools visited department. They enthusiastically collected all interested information about plants along with college staff. The B.Sc. students (Botany learners) collected the medicinal plant from their adjoining area, identified it and surveyed the available literature related to vernacular name, medicinal plant parts, food value and active constituents of those plants and the information was told to school students. Dr. S.P. Rode guided the students for literature survey and collection of plants. Near about 67 participants, students and faculty members were actively participated in the event. With the help of all Teaching and Non teaching staff the programme was successfully completed.

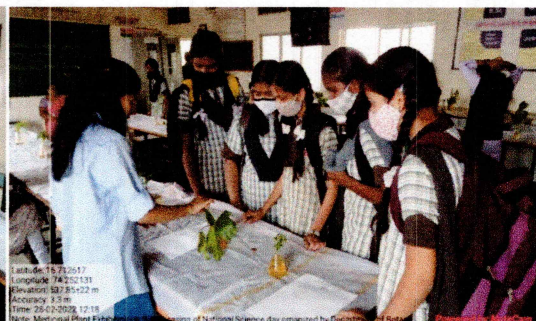

Outcomes

1. Students aware about importance and medicinal uses of plants and their useful part .
2. Students knows Horticultural practices.

Total beneficiaries: 67

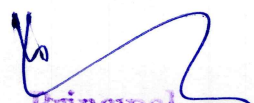

Student participation in Exhibition
