Drinking water supply to flood affected people at Sadar Bazar area.

Day & Date: Friday, 30/07/2021

Monsoon severely affected the normal human life in Kolhapur city. City experienced severe flood in the last week of July, 2021. In this duration there was failure in electricity and water supply for approximately 4 consecutive days. Our College decided to help flood affected people at Sadar Bazar area by supplying drinking water. At three different places in College people were allowed to fill drinking water. All Teaching and Non teaching staff kindly supported these people.
