**STUDY VISIT REPORT (2021-22)**

**Date: 09/05/2022**

As per the part of syllabus set by Shivaji University, Kolhapur Department of Zoology arranged one day study visit to Shivaji University, Kolhapur on 07<sup>th</sup> May, 2022. This study visit was for B.Sc. Part I and B.Sc. Part II students.

Total 80 Students along with Mr. S. S. Jagatap from Department of Zoology, Mr. S. Gojare from Department of Botany, Mr. R.T. Patil, Mr. N.V. Sankpal and Dr. A.R. Patil from Department of Physics, Mr. Shete from Department of Mathematics and Mr. Dhodmani from Department of Chemistry actively participated in this visit. Visit was started at sharp 10:30 a.m. from Nanoscience and technology department.

We 1<sup>st</sup> visited NanoScience and Technology department. Mr. Navnath sir and research student gave information about Chemistry, Nanoelectronic, Nanophysics and Biotechnology laboratory.

Research student Mr. Patil and Mr. Jadhav sir from Department of Physics guided about various instruments and instrumental work in physics department.

We also visited lead Botanical garden of Department of Botany. Research student Miss. Akansha Jaswani and Mr. Akshay Jangam from Department of Botany gave detailed information about various medicinal plants, Gymnospermic plants, various palms. We visited their nursery. Most fascinating point in department of Botany is petrified fossil which is 33.7 to 23.8 million years old.

We visited Sericulture unit of Department of Zoology. Project assistant Mr. Tejas Bodgire showed us life stages of mulberry silkworm and also he gave detailed information about importance of silk, its extraction process and its export.

Research student, Miss Bhasme ma'am gave detailed information about feeding and maintenance of rat. She also gave information about importance of these animals in clinical research.

Outcome of this visit resulted into creation of awareness about diversity of animals and plants in nature and their uses for the human welfare among the students.
