Visit to Sadar Bazar area to create Awareness about Vermitechnology

Date: Friday, 24/12/2021

REPORT

National farmer's day is celebrated on 23rd December. On the occasion of this day Department of Zoology organised Visit to Sadar Bazar Area on Friday, 24/12/2021 to create awareness about Vermitechnology. Total 25 students from B.Sc. I and B. Sc. III were participated in this activity. Students along with teachers distributed pamphlet displaying importance of Vermiculture to people. They communicated with people in nearby area and created awareness about vermiculture in the farm. All faculty members were present for this activity.
