Expert Lecture on
"Career Planning with MBA"

Date: 17ᵗʰ January 2024

Report

The Department of Computer Science organized an Expert lecture on **"Career Planning with MBA"** on **17ᵗʰ January 2024, 2:15 pm** onwards for BCS Final year students. The Resource Person invited for the session was S. K. Pawar (Assistant Professor) at D.R.K. Commerce College, Kolhapur. The lecture started with the welcome address given by M.R.Killedar (Assistant Professor) at Department of Computer Science introduced welcomed for the session.
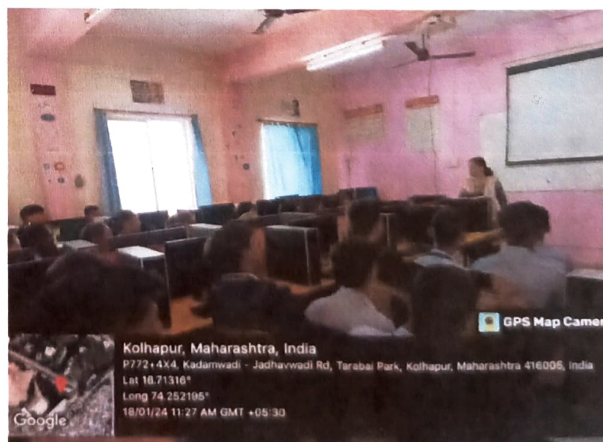

The Session was taken over by Pawar mam, she started with the present Career Opportunities for Computer Science graduates and what kind of jobs are available for them at present scenario and also how to believe in themselves, how to build self-confidence to get the placement in MBA & other fields also. She enhanced on how important it is to choose appropriate career option and higher studies in today's world. She also motivated students to upgrade themselves on latest trends, and provided them good information about how can a student lead the roadway to research side as one of the career opportunities. She highlighted on different types of questions placed to students like their Strength, Weakness, and Student's Goal etc. She also highlighted on different methods like Star Interview approach in facing Interviews (Situation, Task, Action and Result) for Jobs. The session was very interactive. Mrs. Salokhe P.P. (Assistant Professor) gave a vote of thanks on behalf of the teachers.

Outcomes:
1) The guidance given to the individuals to understand their skills, abilities and potential that is important to choose the right career path.
2) The student to choose the right course that matches with his/her skills.

Beneficiaries:
28
