MECHANISM OF CONTINUOUS COMPREHENSIVE EVALUATION (CCE) (2022-23)

Examination Committee of the institution prepares examination schedule for conducting various continuous internal examinations during in each academic year. Continuous Comprehensive Evaluation (CCE) and University Examination schedule comprises Diagnostic Test, Unit Tests, Mid-Term Examination, Pre-Semester Examination, Term Work and Examinations for Non-CGPA Courses. Mechanism to deal with examination related grievances is transparent, time-bound and efficient. The Institution has conducted a Diagnostic Test for first year students only for identifying advanced and slow learners. Two Unit Tests were taken at the time of concerned lectures of each department. Mid-Term Examination is conducted for second and third year students of UG and second year students of PG in an odd semester whereas Pre-Semester Examination was taken for first year students only as they are confronting University Level Examinations for the first time. Term Work was taken by each department wherever it is applicable which includes Classroom Seminars for BA and B.Com, MCQs for B.Sc. and BCS and Internal Test for PG. Apart from these, as per CBCS pattern the examination for Non-CGPA Courses for 1st and last year repeater students were also conducted at Institutional level.

Since this academic year 2022-23, as per NEP-2020, mechanism of CIE is restructured including Academic Bank of Credits (ABC) and Skill Enhancement Courses (SEC) for students which are made available by the parent University. Continuous Comprehensive Evaluation (CCE) System has been employed from this academic year comprising Formative (Diagnostic Test, Classroom Seminar, Home assignments and Journals) and Summative Evaluation. Variety of Options has been applied by different departments for CCE i.e. Open Book Tests, Surprise Tests, Project Work, Study Tour, Field Visit, Industrial Visits, Group Discussions, Oral Examinations and Seminars. The assessed answer-books of CIE are kept at departmental and Institutional level for the students. Results were displayed at the departmental notice board.
