BASIC C-PROGRAMMING LANGUAGE
30/03/2023

Report

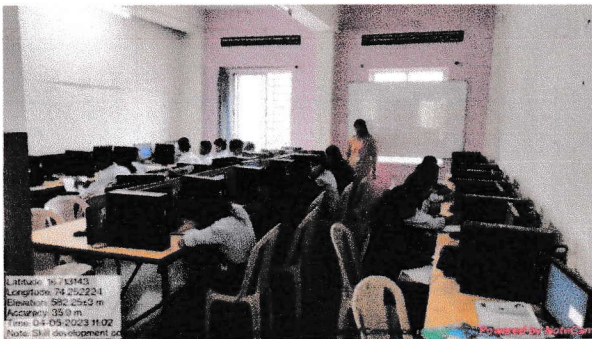

The certificate course in 'C Programming' was introduced by UGC and run by Rajarshi Chhatrapati Shahu College in the academic year 2022-23. The main objective of this course is to develop awareness about C programming language with their academics & inculcate skills required for starting developing software. 18 students were enrolled in the first batch. It was started in Nov, 2022. Proper time-table was made for it and students got guidance from teachers. All 18 students completed their course successfully. The examination was held in March 2023. All the students passed it successfully and each of them got certificate for that.

Outcomes

- Students enriched with the updated knowledge of c programming languages.
- Students acquainted the knowledge of career in IT sector.
